

Wine, Woman and Song.

The attraction next Monday, April 14th, at the Tabb, is the latest effort of Producer Mortimer M. Singer. This is a high class production, as nearly everyone taking part is a star. Violet Pearl heads the cast of fun makers and pretty girls and Billy Meehan is at the head of the male contingent. This show is the best ever seen. The cast is splendid, the costumes gorgeous, and the show right up to the minute in singing, dancing and comedy. In addition to Meehan and Pearl, there are Norman Taylor, as Israel Brushky, who takes a strong part in the skits and the school act. Hary Lang, as Herman Fritz, who greatly reminds you of David Warfield. Frank Martin, who has recently returned from London, will be seen as a French artist, painting solely for Americans visiting the gay capitol of the French. Richard Hanlon, a tenor of repute, has but very lately closed an engagement with one of the grand opera companies singing in English and will be heard in some classical music. Miss Ida Howard is the prima donna, and before she went on the musical comedy stage, played leading parts in Frohman productions. Interspersed throughout the action of the three acts will be vaudeville specialties galore and amongst which may be mentioned Artie Young's Youngsters in an act called "The Last Days of School," and which should be seen by every school child as well as grown up children to be fully appreciated. This act is so true to real life that words can scarcely be found to properly describe its merits. The company consists of thirty people. Prices, 35, 50 and 75c.

OLDHAM BROTHERS

Dissolve Partnership After 18 Years Successful Business.

Mr. C. K. Oldham Retires From The Firm But Will Reside Here.

Mr. C. K. Oldham has disposed of his interest in the progressive Busy Bee Cash Store of this city to his brother, Mr. A. B. Oldham, who will have associated in business with him his son, William.

This firm opened business here on a small scale about 18 years ago and by their up-to-date business methods have established the largest department store in this section of Kentucky.

Mr. C. K. Oldham, the retiring member of the firm, will continue to make this city his home for the present, but will be away much of his time looking after the interests of the store of Oldham Bros. at Carlisle. While in this city his headquarters will be at the Busy Bee Store, where he will be glad to greet his many friends.

C. & O. Trains Resume Schedule.

The C. & O. resumed its schedule to New York Friday and are now running its two trains daily each way on regular schedule time. The C. & O. service to New York and other Eastern points is unexcelled and its patrons will be glad to learn traffic has been restored on this popular road after recent heavy damage done by the flood.

Chosen Secretary of Montgomery County Fair.

Mr. W. C. Hamilton, who has been Secretary of the Montgomery County Fair Association for four years past, has resigned the position, and the Board of Directors held a meeting and elected W. Hoffman Wood to succeed him. Mr. Wood has assumed the duties and will put forth every effort to make the 1913 Fair the most notable one ever held here. Mr. Wood desires the assistance, co-operation and interest of all the citizens of this county and section in his efforts to make this Fair the "best one" ever held in the State. He knows personally, nearly all the saddle and trotting horsemen in this section of the State, is a man of pleasing address and very energetic, and will use his every talent to make our Fair a success. Mr. Hamilton, who retires, has labored hard for the success of the Fair and retires with credit to himself and the best wishes of the Board.

Base Ball.

The Montgomery County High School baseball team reports a fine game of ball with the Owingsville High School team on Friday afternoon, April 4th. Our team had never played together before and did not get to working right until Owingsville had made three runs during the first inning. They only made three more runs during the game and only got one hit. Our boys made two runs in the first inning and did not score any more until the last, when they made three runs. Hits were made by Cox 2, McClure 2, Skidmore 2, Barnard 2, Ford 1, Bowlds 1. The following runs were made: Ford 1, McClure 1, McGuire 1, Cox 1, Bowlds 1. The local line-up was as follows: McGuire, p.; Ford, c.; McClure, 1b.; Skidmore, 2b.; Turley, ss.; Cox, 3b.; Horton, lf.; Barnard, cf.; Bowlds, rf. McGuire did some fine twirling, and we expect to win several games during the season.

Resigns as Member of City Council.

Mr. J. Will Clay, owing to business interests and his candidacy for State Senator, which prevented him giving as much time to the office as he thought necessary, on last Tuesday resigned as Councilman from the Second ward. Mr. Clay has always been one of our most progressive councilmen and his advice, counsel and influence will be missed.

Mr. J. R. Miller was elected to fill out his unexpired term.

James F. O'Donnell Delightful Entertainer.

James Francis O'Donnell, the famous monologue artist, was the entertainment at the Tabb Monday night. "The Sign of the Cross" was his subject and it was handled in a masterful way. A large and appreciative audience was in attendance. The entertainment was given under the auspices of the Catholic Church.

To the Democratic Voters of The 90th Legislative District.

Certain designing men, having as their motive, a desire to injure me in my race for the Democratic nomination for Representative, are busily engaged in circulating false and slanderous reports to the effect that I am making this fight contrary to the advice of my relatives and intimate friends and in the interest of another. Nothing could be farther from the truth. As a matter of fact all my relatives and many friends urged me at the beginning to announce and are daily urging me to continue to the end, which I shall do. I am making this race in the interest of no man or set of men, but solely on my own merits, with no corporate or other corrupt alliances. If I win, my nomination will be clean, since I am appealing to the unpurchasable voters only for support. My views are well known on many public questions and I stand ready to answer any and all questions the people want to ask me. In voting for me, they are not asked to guess at my views or probable position, and as the reports above referred to are calculated to do me injury, I hope my friends and all fair-minded voters will deny them with all possible emphasis.

Respectfully,

B. M. MANNING.

Filter Supplies Received.

The last shipment of supplies used in the construction of the filter system being installed by the Kentucky Utilities Co., has arrived, and the filters will be rushed to completion as soon as possible. The company has had many difficulties to contend with causing delays, but hope to have everything completed within the next ten days or two weeks, and then the water supply for Mt. Sterling will be second to none, in the country.

Barn Destroyed by Fire.

A tobacco barn on the North side of Winn street, belonging to Mr. George Owings, was destroyed by fire Tuesday night of last week. The loss will amount to about \$1,500, with \$800 insurance. The barn was empty with the exception of a brake cart of Mr. Owings' and a survey and a wagon belonging to Mr. Lin Beall. Kirkpatrick and Clay had about 1500 tobacco sticks in the barn. The origin of the fire is unknown.

WYATT--M'CHESNEY

Miss Florence Wyatt To Become Bride of J. C. McChesney

The Wedding Will Be Solemnized at the Home Today.

The marriage of Miss Florence Gorin Wyatt to Mr. James Curry McChesney, of Lexington and St. Louis, will take place today, April the ninth, at the home of the bride-elect's parents, Mr. and Mrs. B. F. Wyatt, on Harrison avenue. Only the members of the two immediate families will be present and immediately after the ceremony the couple will leave for a short bridal tour after which they will be at home to their friends in St. Louis.

Miss Wyatt is one of Mt. Sterling's most popular and deserving girls and has a host of friends and relatives here who join the Advocate in extending best wishes for a long and happy married life.

Mr. McChesney resides in Lexington a part of his time where he made the acquaintance of Miss Wyatt. He is said to be an excellent gentleman of splendid business qualifications well deserving of the charming girl who is to become his bride.

Friends Looking Ahead.

W. Bridges White, of Mt. Sterling, Commonwealth's Attorney of the Twenty-first Judicial District and member of the Democratic State Central Committee from the State-at-large, is in Louisville today looking after some private business. Mr. White is one of the recognized party leaders in the Ninth District, and he has many friends and admirers who look upon him as most available congressional timber and expect to see him go to Washington in that capacity some day. He is the Prosecutor in Circuit Judge Allie W. Young's court and has made a fine record.—Louisville Times.

New Tailoring Concern.

A custom tailoring house, headed by Mr. George A. Heath, himself a practical tailor, of long years experience, of Sebring, O., will be opened in this city within the next few weeks in the Tyler-Apperson building.

Mr. Heath comes here highly recommended as a skilled workman and excellent gentleman, and feels confident of securing a liberal patronage from the start.

The opening dates will be announced in this paper later.

Ripe Old Age.

Mr. Reuben Kemper died in the Montgomery county Poor House last Wednesday of infirmities of old age, being 82 years old.

Judge Young in Louisville.

Judge Allie W. Young, of Morehead, one of the best-known jurists and Democratic politicians in the State, is in Louisville to spend a few days, recreating after an arduous term of his Circuit Court. He has always been on mighty good terms with the Louisville politicians, and he likes to associate and talk politics with them. Judge Young sports a handsome cane which was presented to him recently by the appreciative citizens of Breathitt county after he had held a special term of Circuit Court at Jackson, which "cleaned up" the large criminal docket. The cane is silver mounted and suitably inscribed, and Judge Young prizes it very highly.—Louisville Times.

J. Malcolm Forbes.

That this wonderful horse will have some of the greatest mares in the world to visit his court this year is shown by the following mares which have been bred so far this season. The list contains some of the most noted matrons in the world. Among them are the following: Fantasy, 2:06; Extasy (2-year-old pacing 2:10½); 3-year-old trotting (2:11½); Bertha Guy, dam of the sensational yearling; Bertha Forbes; Phoebe Onward, dam of 2; Lilworthy, dam of 3, including the great Frank Perry, (1) 2:15; Baron Lassie, dam of Peter Billiken 2:16½ and Wanetka, the yearling recently sold for \$4,900; Ashleaf Wilkes, dam of Mainleaf 2:08½, and others. The demand for the services of this fast stallion is coming strong from all sections of the country, and his popular owner, J. R. Magowan, is being besieged by owners everywhere for booking of mares. Mainleaf (one of the most promising young sires in the country) is also being mated with some of the best mares in this State, and the books of both stallions will soon be full.—Blue Grass Journal.

\$8.00 worth of ware will be given away FREE with every MAJESTIC RANGE sold at our Demonstration one week only, beginning Monday, April 7th. Chenault & Orear.

FOR MAYOR
L. G. HOWARD

Subject to the action of the Republican Party, before the State Primary, August 2, 1913.

HON. RUFUS HADDEN.

By his direction, in the proper place, appears the announcement of Hon. Rufus Hadden as a candidate for the Democratic nomination for State Senator in this the Twenty-eighth Senatorial district, composed of Bourbon, Clark and Montgomery counties, before the State primary, August 2nd.

Mr. Hadden is one of our most widely known and esteemed farmers. While never before a candidate, he has always taken an active interest in behalf of the party and never failed to give to its nominees his hearty support. He has also labored unselfishly for anything that

would be of benefit to the people, hence it is but natural that "Uncle Rufe," as he is affectionately known, has many warm friends who will make a vigorous fight for him in his present race.

If nominated and elected he says "I faithfully promise to advocate and support measures that will lead to retrenchment and reform in the administration of the State's affairs, and will endeavor at all times to protect the interests of the farmer, laborer and merchant, and not those of the heretofore favored trusts."

We therefore present the claims of this worthy Democrat and ask that they be given thoughtful consideration.

Victim of Cancer.

Mr. Wallace M. Hainline, of Missouri, died at the home of his brother, Mr. M. R. Hainline, in this city last Wednesday night. Mr. Hainline formerly lived here but had made his home in Missouri for the past twenty years up until last November when he came to Mt. Sterling in the hopes that the change of climate would prove beneficial. He was a member of the Presbyterian church and a splendid Christian gentleman with many friends here at his old home who learned of his death with deep regret.

Besides his wife, two sons and mother, he is survived by one brother, Mr. M. R. Hainline and three sisters, Mrs. J. P. Sullivan, of this city; Mrs. Fannie Williams, of New York City, and Mrs. Eddie Thomas, of Cameron, Mo.

Olympian Springs Selected.

The 1913 convention of the Kentucky Press Association is to be held at Olympian Springs June 9-13, according to an announcement by the executive committee.

E. D. Shinnick, of Shelbyville, Ky., is president of the association. The program committee was instructed to get in action at once. Louis Landrum, of the Danville Messenger, is chairman of the committee.

President Shinnick announced that all papers and addresses at the coming meeting will be limited to thirty minutes' time. The length of talks made at previous gatherings has been responsible for a rush of business at the last meeting. Cost talks will probably play an important part in the program, as most of the country editors also conduct job printing establishments.

Who lays down the money and does it quite gladly,
And casts 'round the office a halo of cheer.

He never says, "Stop it; I can not afford it,"

But always says, "Send it; our people all like it—"

How it makes our pulse throb; how it makes our hearts dance.

We outwardly thank him; we inwardly bless him—

WHY HE DOES IT.

Druggist W. S. Lloyd Gives Reasons for Selling at Half Price.

"It is not often that I have faith enough in the medicines put up by other people to be willing to offer to refund the money if does not cure," said Druggist W. S. Lloyd to one of his many customers, "but I am glad to sell Dr. Howard's specific for the cure of dyspepsia on that plan."

"The Dr. Howard Co., in order to get a quick introductory sale, authorized me to sell the regular fifty-cent bottle of their specific for half price, 25 cents, and, although I have sold a lot of it, and guaranteed every package, not one has been brought back as unsatisfactory."

"I am still selling the specific at half price, although I cannot tell how long I will be able to do so. Any person who is subject to constipation, sick headache, dizziness, liver trouble, indigestion or a general played out condition ought to take advantage of this opportunity. If the specific does not cure them, they can come right back to my store and I will cheerfully refund their money." 38-40

Not a Bud Killed.

"Not a thing killed," was the emphatic reply of H. F. Hillenmeyer, the veteran nurseryman and weather historian, of Lexington, when asked if the fruit had been injured by the recent spell of cold weather.

The prevailing moisture did much to protect the buds of the trees, which had begun to open, as it prevented the touch of frost, and Mr. Hillenmeyer will stand by this announcement of a few weeks ago that the prospects are for the most abundant crop of fruit of all kinds which Kentucky has had for many years.

Of course, later adverse weather may change the prognostication, but ordinarily the fruit is considered fairly secure when it has reached the first of April without injury.

FIRE! FIRE! FIRE!

That's reminder enough, isn't it, that "it's up to you" to have your place—house, home, shop or office—insured against fire's fatal frolic? We know of no good reason why any citizen of this town should not be safely insured in one or more of our companies—we know of a lot why he should be. Proof positive furnished on application.

MADE IN U.S.A.

Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

Bread made with
Royal Cream of Tartar Powder:

100 Per Cent. Digested

Bread made with
phosphate powder:

68 1/4 Per Cent. Digested

Bread made with
alum powder:

67 3/4 Per Cent. Digested

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.
